

Hello Everyone!

I know how busy everyone is these days based on the turn outs we have had or I should say have not had for our conference calls the past few days. With that said the Advisory Committee did in fact have a meeting yesterday regarding a whole list of Bills being proposed in state legislature. We as a group will be digging into these proposed Bills to get a better understanding of what they mean to manufacturers, recyclers, municipalities and residents.

Below are 3 lists of Bills currently being proposed. The Advisory Committee is looking for volunteers to help with information gathering and actually meeting with some of the Bill supporters and organizations. THE COMMITTEE'S NEXT SCHEDULED CONFERENCE CALL IS FOR TUESDAY MARCH 9th AT 2:00 PM

GROUP ONE:

Patience Monroe, Norm Gumenik'
Gina D Abella

BILL #'s

HB 2604 (solid waste & private enterprise)
SB 1368 (solid waste & private enterprise)
SB 1036 (solid waste & private enterprise)

ALL 3 BILLS HAVE SIMILAR POINTS REGARDING SOLID WASTE & PRIVATE ENTERPRISES.

GROUP TWO:

Bill Toby

BILL #'s

HB 2130 (lead acid batteries sales & fees recycling)
HB 2614 (large electronics recycling program)
HB 2646 (scrap metals dealers requirements & penalties)

GROUP THREE:

Gina D Abella, Terry Gellenbeck

BILL

HB 2747 (multifamily dwelling's recycling)

If anyone has an interest in working with the Advisory Committee on any or all of the Bills currently proposed please contact myself or any AZRC board member to find out how to be a part of something bigger than yourself!

Thank you all for your help & support
