

Our Planet, Our Stuff, Our Choice:

An EPA Video Competition to Reduce Our Environmental Footprint

The stuff you use every day affects your environment, your community, and your planet. EPA is sponsoring a video competition to raise awareness of the connection between the environment and the "stuff" people use, consume, recycle, and throw away. We need your help in creating videos that will inspire community involvement, spread information and lead to action. Your passion, your creativity, and your ideas can make a difference!

TOPICS

- Buying Green
- Recycling
- Reducing Your Consumption
- Composting
